LLOYD'S

Underwriters

excess casualty

Brit is a market-leading global specialty insurer and reinsurer, focused on underwriting complex risks. With a major presence in Lloyd's of London, the world's specialist insurance market provider, we also have significant US and international reach. We believe that the uncertainty of the future should never stand in the way of progress. That's why we exist: to help people and businesses face the future and thrive.

Brit Global Specialty USA (BGSU) underwrites on behalf of Brit Syndicates 2987 and 2988, providing retail, wholesale and reinsurance brokers with Lloyd's financial strength and capabilities. BGSU offers a range of E&S, admitted and reinsurance products with a focus on Specialty Package, Property, General Liability, Excess Casualty, Professional Lines, Commercial Marine, Cyber, Programs, and Property & Casualty Reinsurance. Headquartered in Chicago, we have underwriting presence in Atlanta, Hartford, Houston, Los Angeles Metro Area, New York, Philadelphia, Richmond and San Francisco Bay Area.

excess casualty

Our excess casualty team is committed to growing through a dedicated wholesale brokerage network and evaluating individual risk characteristics to assist in providing customized solutions. We aim to establish long term partnerships through responsive service, expertise, flexibility and a broad underwriting appetite that suit our clients' needs in an evolving market.

Product

We provide a non-admitted excess casualty product to a wide range of commercial businesses where general liability is the driving exposure. Various attachment points and underlying coverages can be considered.

Capacity/Minimum Premiums

- \$10,000,000 capacity
- \$25,000 per policy minimum premium

Highlights

- ISO influenced Excess Follow Form Coverage
- Occurrence or Claims-Made Coverage available
- Flexibility to follow coverages such as PL, E&O, GKLL and Abuse when incidental to overall risk
- Quota share availability with other carriers (carrier rating threshold to apply)
- Provide ventilated policies on single risk tower
